**NOTICE OF MOTION AND MOTION**

TO PLAINTIFF, DEFENDANTS, AND THEIR COUNSEL OF RECORD:

PLEASE TAKE NOTICE that on June 22, 2022, at 2:00 p.m., or as soon thereafter as the matter may be heard, in Courtroom 2, 17<sup>th</sup> Floor, San Francisco Courthouse, located at 450 Golden Gate Avenue, San Francisco, California, applicant Kuang-Bao P. Ou-Young will, and hereby does move, for the court's permission to intervene in the present action, to disqualify district judge William H. Orrick and counselor Claire T. Cormier from this case, to suspend election of Santa Clara County district attorney to be held later this year, and for an order to show cause against both judge Orrick and counselor Cormier. The motion to intervene is based on Federal Rule of Civil Procedure 24(a)(1), 42 U.S.C. § 547(1), this notice of motion and

1 motion, the memorandum of points and authorities set forth below, the pleadings and records on  
 2 file in this case, and such further evidence and argument as the court may consider at the time of  
 3 hearing on this motion.

#### 4 MEMORANDUM OF POINTS AND AUTHORITIES

##### 5 **A. Judge Orrick Has Deprived Applicant of Substantive Civil Rights**

6 Santa Clara County brought a civil action to this court against the Trump administration  
 7 on February 3, 2017 (Case No. 17-cv-574-WHO). Applicant then moved to intervene in said  
 8 case on March 29, 2017. Dkt. No. 84. On April 3, 2017, judge Orrick denied the motion without  
 9 a hearing. Dkt. No. 85. Yet “due process requires an opportunity to confront and cross-examine  
 10 adverse witnesses.” *Goldberg v. Kelly*, 397 U.S. 254, 269 (1970). Hence said judge has denied  
 11 applicant the First Amendment right to petition the government for a redress of grievances, due  
 12 process of law under the Fifth Amendment, the Seventh Amendment right to a jury trial, and  
 13 equal protection of the laws under the Fourteenth Amendment. Judge Orrick is criminally liable  
 14 under 18 U.S.C. § 242. *United States v. Price*, 383 U.S. 787, 793 (1966); *Bivens v. Six Unknown*  
 15 *Named Agents of Federal Bureau of Narcotics*, 403 U.S. 388 (1971). As a judge is not absolutely  
 16 immune from criminal liability, *Ex parte Virginia*, 100 U.S. 339, 348-349 (1880), the presiding  
 17 judge should be disqualified from the present case.

##### 18 **B. Counselor Cormier Has Conspired to Deny Applicant of Substantive Civil Rights**

19 On September 25, 2013, applicant brought a complaint to this court (Case No. 13-cv-  
 20 4442-EMC). On November 15, 2013, then U.S. attorney Melinda Haag and counselor Cormier  
 21 moved to dismiss said case. Dkt. No. 24. District judge Edward M. Chen dismissed the case on  
 22 December 20, 2013 without a hearing. Dkt. No. 40. But “due process requires an opportunity to  
 23 confront and cross-examine adverse witnesses.” *Goldberg v. Kelly*. Accordingly, counselor  
 24 Cormier has conspired with judge Chen to deny applicant the First Amendment right to petition

1 the government for a redress of grievances, due process of law under the Fifth Amendment, the  
2 Seventh Amendment right to a jury trial, and equal protection of the laws under the Fourteenth  
3 Amendment. Said counselor is criminally liable under 18 U.S.C. § 242. *Price; Bivens*. Acting as  
4 advocate for the government, counselor Cormier lacks absolute immunity from criminal liability.  
5 *Kalina v. Fletcher*, 552 U.S. 118 (1997); *Bivens*. Thus, said counselor should be disqualified  
6 from the present case.

7 **C. Defendant Rosen Has Abused Prosecutorial Discretion as County DA**

8 On August 20, 2020, Santa Clara County DA's office instituted a criminal action against  
9 James Jensen, Harpaul Nahal, Michael Nichols, and Christopher Schumb at Santa Clara County  
10 Superior Court (Case No. C2010724) because of their alleged criminal offenses in fundraising  
11 against the 2018 re-election of sheriff Laurie Smith. However, sheriff Smith issued a statement  
12 on March 10, 2022 announcing plans to retire in January next year at the end of sixth term. The  
13 announcement acknowledges that defendant Rosen has abused prosecutorial discretion as Santa  
14 Clara County district attorney. More importantly, said defendant is not absolutely immune from  
15 criminal liability. *Kalina*. Due to his candidacy for county district attorney in the election to be  
16 held later this year, the court should suspend such election unless defendant Rosen withdraws.

17 **D. Both Judge Orrick and Counselor Cormier Should Face Criminal Prosecution**

18 Since 28 U.S.C. § 547(1) requires U.S. attorney Stephanie M. Hinds to prosecute for all  
19 offenses against the United States, the court should order said U.S. attorney to show cause why  
20 her office should not institute criminal prosecution against either judge Orrick or counselor  
21 Cormier.

CONCLUSION

Based on the above arguments, the court should disqualify judge Orrick and counselor Cormier from the present action, suspend this year's election of Santa Clara County district attorney unless DA Rosen withdraws, and order U.S. attorney Hinds to show cause why either judge Orrick or counselor Cormier should not face criminal prosecution by her office.

Respectfully submitted this 18<sup>th</sup> day of May 2022.
